Attitudes Toward Gender Non-Conforming (GNC) People In EmaSwati and China

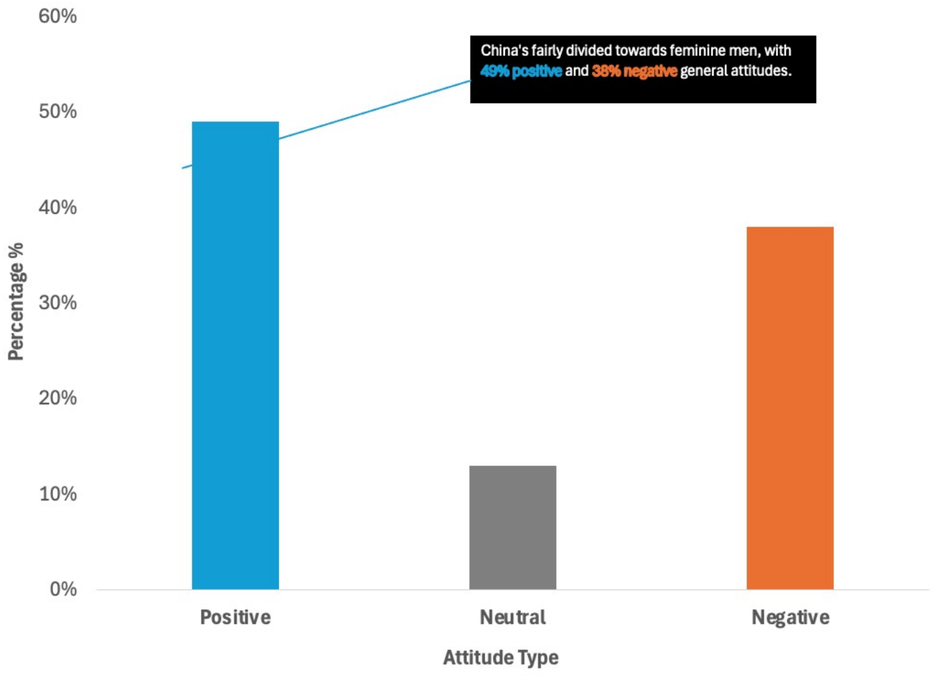

Population Presenting GNC Percentage %

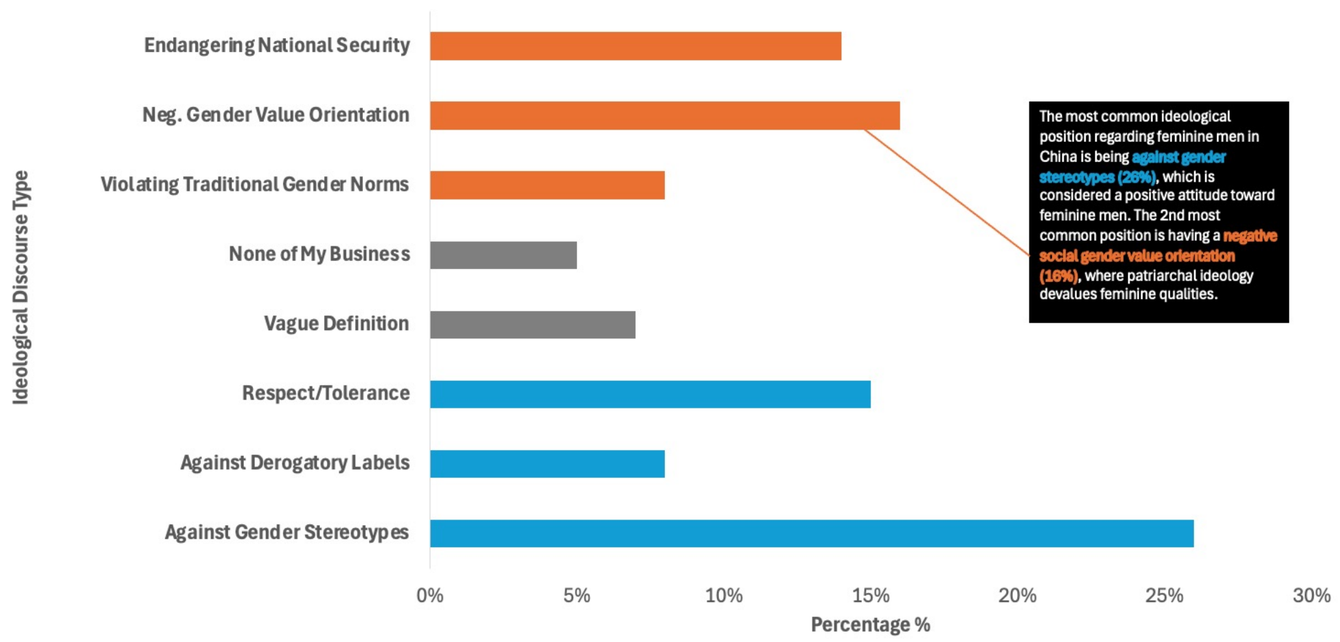

EmaSwati's Views on Gender Non-Conforming (GNC) People

China's Attitudes Toward Feminine Men

China's Dominant Discourse Toward Feminine Men

Attitudes in EmaSwati and China are heavily divided, with a slightly larger skew towards having positive attitudes towards GNC people in both countries. Given the substantial percentage of the population with negative attitudes, it is risky and not worth expanding store locations in EmaSwati and China due to potential backlash from the customer base.
